

Rotary District 5170 Short Term Preliminary Application Youth Exchange Program

Rotary's Short Term Exchange Program (STEP) is for students ages 15 to 18 who wish to visit and host a student from another country for several weeks, usually during summer vacation. Students are selected and sponsored by a Rotary Club. STEP is a Cultural Exchange. Participants are Student Ambassadors representing Rotary and their sponsoring country. Each student and parent will be asked to sign an agreement to honor the requirements of the program.

This Preliminary Application requires applicants to indicate and rank the three countries they would like to visit. We try to place students in one of their requested countries, but may not be able to do so because of various reasons limiting our country selection.

The exchanging families introduce the visiting student to their city, country and friends. The hosting families include their guest in their family activities.

Financial responsibilities for outbound STEP students are airfare, personal spending money, and a Program fee of \$300.00, which covers a special youth exchange insurance policy, orientation, and other fees.
